ABOUT THE DOWNTOWN SPRINGFIELD FAMILY FUNFEST FUNDRAISER

The Downtown Springfield Family FunFest started as a simple idea: children and families. With an incredibly vibrant downtown Springfield festival scene, there wasn't one that was designed specifically for children and families. We couldn't understand how that could be! So we decided to start the first. This year, the FunFest will be held on September 12, 2026. The FunFest is packed with laughter, joy, and family-centered entertainment. This event provides outreach to families by fostering an environment that allows families to bond and strengthen their family unit, create community connections, and learn about supportive resources that families need to thrive. Families enjoy a plethora of activities including inflatable obstacle courses, bounce houses, interactive games, delicious treats from food trucks, special character appearances, and continuous entertainment on the vibrant main stage.

Impact and Importance

The FunFest is not only a fundraiser, but it is a chance for all of us to come together for the most important cause of all: protecting our children. 100% of the profits from the FunFest go to the various programs and trainings offered by Prevent Child Abuse Illinois throughout the state. These funds help us expand our reach with prevention programs and initiatives to the people and professionals that need them most. Together, we can create great childhoods for all children in Illinois and at the FunFest, we can have a ton of fun while doing it!
